You make and pay for your own campground reservation at Normandy Farms. We suggest contacting their Guest Experience Manager, Lisa Pascale, to make your reservation:

You must mention your CHOC affiliation to get the rally rate of \$224.80 for arrival on Sunday, 10/2 and departure on Thursday, 10/6.

Reservations must be made by July 31 to obtain the rally rate and ensure that you will be with the rally group. Deposit is made by credit card with an initial charge for 50% of your total. If you cancel at least 2 weeks prior to your reservation, you will receive a full refund minus a \$25 processing fee.

Normandy Farms is booked full for the weekend after the rally, although you may be able to get a Friday 10/7 departure. If you want an early arrival for the weekend before the rally, it is strongly suggested that you make your reservation as soon as possible, as this will be a sold out weekend for the campground. They are currently holding some sites for pre-rally booking at the rate of \$176.00 for the minimum two-night stay 9/30-10/1 (10% discount for AARP and Military). Any additional nights will be at their regular rate minus any discounts you may have. Again, reservations must be made by July 31.

Please notify David Wedemeyer after making your reservation to let us know you are attending.
