

Company Profile

Coach House motorhomes have a rich and fascinating history that dates back to their humble beginnings in the mid 1980's.

Founded by Ruben Gerzeny, Coach House started and still remains a small, family-owned business in Venice, Florida. Ruben's vision was to create high-quality, custom-built motorhomes that offered both luxury and functionality, setting the stage for a brand that would become synonymous with premium recreational vehicles.

In the beginning, Coach House focused on crafting Class B motorhomes, with meticulous attention to detail and an emphasis on quality construction. Their dedication to customer satisfaction and their commitment to using top-of-the-line components quickly garnered a loyal following. Over the years, Coach House expanded its lineup to include the Arriva Class B and the Platinum, Platinum II, Platinum III and now the very exiting Platinum IV Class B+. The various models and floor plans have always stayed true to their core values of craftsmanship, quality and customer care. Today, Coach House remains a respected name in the motorhome industry, known for their dedication to innovation and their unwavering commitment to providing travelers with the ultimate home on wheels.

Throughout their journey, Coach House motorhomes have grown and evolved, but their commitment to quality and customer satisfaction has remained a constant. Their beginnings in a small Florida town have paved the way for a legacy of excellence in the RV industry, making them a name that RV enthusiasts trust and admire.

A Message From the President

Welcome to the Coach House Family! As President of the Coach House Owners Club (CHOC), and on behalf of all of our members, I would like to extend this invitation to join our welcoming club.

CHOC is comprised of people who share the common bond of owning a quality Coach House motor home for their recreational pursuits. Our spring and fall rallies are fun times for jointly exploring new locations, sharing experiences, getting together with old friends and making new ones. Between rallies we keep in touch through our monthly Zoom meetings, and through our CHOC Facebook group and CHOC forum, which are both private groups for members only. We also have our own club web site at: <https://coachhouseownersclub.com>

We look forward to having you join our group and hopefully meeting you at a future rally.

Sincerely,

Ruth Ristow,
President
